20 SECONDS WITH THE NAZARENE THE HOPE OF EASTER

Christ's resurrection changed Mary from a mourner into a messenger; it changed Thomas from a doubter into a believer; it changed Peter from a denier into a preacher; and it changed Paul from a persecutor into a missionary. For the early Christians the Easter event became an Easter experience: a cleansing, life-changing, transforming experience.

Today, nearly 2,000 years later, that Easter event is still the greatest hope in a world of fear and confusion.
